COMMUNITY NOTICE

Burnaby/Coquitlam

Start of Plaza Construction at Burquitlam Station

Burquitlam Station is almost complete, and Evergreen Line crews will now begin construction of the Burquitlam Station plaza. This work will take place from mid-March until late July 2016.

WHAT TO EXPECT:

- Station plaza construction will take place Monday – Friday from 7:00 a.m. to 8:00 p.m. If night work is required, residents and businesses will be notified in advance.
- There may be some northbound lane shifts and closures on Clarke Road while work is underway; every effort will be made to minimize delays for the travelling public. Drivers should watch for changeable message signs that will indicate changes.
- Nearby residents and businesses may experience noise related to construction activities, including the use of heavy machinery. Every effort will be made to minimize noise and disruptions where possible.
- Pedestrians are asked to follow the marked detours.

This is the final stage of construction in the Burquitlam Plaza area and we appreciate your patience during construction. For more information, please contact 604-927-2080, available 24 hours a day, seven days a week, or call the Evergreen Line Project Office at (604) 927-4452, or email us at: info@evergreenline.gov.bc.ca.

ABOUT THE EVERGREEN LINE PROJECT

The Evergreen Line is an 11-kilometre extension to the existing SkyTrain system in Metro Vancouver. Evergreen will be complete and in service in early 2017.
