Coquitlam

Evergreen Station Plaza Construction in Coquitlam

Station plaza construction at the Coquitlam Central, Lincoln and Lafarge Lake-Douglas stations will take place from late June until October 2016.

WHAT TO EXPECT:

- Station plaza construction will take place Monday – Saturday from 7:00 a.m. to 8:00 p.m. If night work is required, residents and businesses will be notified in advance. Depending upon weather and construction schedules, some weekend work may occur.
- There may be some lane shifts on Pinetree Way while work is underway; every effort will be made to minimize delays for the travelling public.
- Where works will impact West Coast Express passengers at Coquitlam Central Station, advanced notice will be provided.
- Drivers should watch for signs and obey traffic control personnel.
- Nearby residents and businesses may experience noise related to construction activities, including the use of heavy machinery and back-up beepers. Every effort will be made to minimize the use of back-up beepers; however back-up beepers are required for safety.
- Pedestrians and cyclists are asked to follow the marked detours.

This is the final stage of construction in the area and we appreciate your patience during construction. For more information, please contact 604-927-2080, available 24 hours a day, seven days a week; call the Evergreen Line Project Office at (604) 927-4452; or email us at info@evergreenline.gov.bc.ca.

ABOUT EVERGREEN LINE

The Evergreen Line project is an 11-kilometre extension to the existing SkyTrain system in Metro Vancouver. Evergreen will be complete and in service in early 2017.
