Moody Centre Station is now almost complete, and Evergreen crews will start expansion of the Park and Ride lots in front of the station. The Park and Ride expansion work will take place from July to September 2016.

WHAT TO EXPECT:

- Construction will take place Monday – Saturday from 7:00 a.m. to 8:00 p.m. Some night work may be required.
- Construction will be managed to minimize disruption to West Coast Express and transit exchange passengers.
- Please watch for directional signage and follow instructions from traffic control personnel as some modification to existing parking stalls and the passenger pick up and drop off area will be required.
