CONSTRUCTION AND TRAFFIC BULLETIN

Port Moody

Cecile Drive Open to Two Lanes

Temporary road restoration of Cecile Drive is complete and two lanes on Cecile Drive, west of Highview Place, are open to traffic as of March 12. Parking on the south side of Cecile Drive is also open.

Final roadworks for Cecile Drive will take place in the summer. Crews will lay new asphalt on the entire section of roadway above the tunnel boring machine maintenance area, including new lane markings. An update on the timing for final road restoration will be provided prior to the work starting.

Between now and the completion of the final roadworks in the summer, the roadway will continue to be monitored as periodic maintenance of the road surface may be required. Residents may experience minor traffic delays during the maintenance periods.

If you have any questions or concerns, please contact the Traffic Information Line at 604-927-2080, available 24 hours a day, seven days a week.

ABOUT EGRT CONSTRUCTION

EGRT Construction, a consortium led by SNC-Lavalin Inc., has been awarded the contract to design and build the Evergreen Line.
